

Introduction:

Clauses are used on the moment of writing mainly the resolution paper, but they can also be addressed since the working paper, this is actually recommended.

There are 2 types of clauses; preambulatory and operative clauses, both of them have a specific role at the moment of writing the papers, and it is vital for you to use the correct number of them so that your papers can be approved by the main organs.

Preambulatory

As its name says, these are previous. Use them in the part of the introduction in order to justify all of the next solutions you will give. You can mention previous historic events, other resolutions, treaties, recognize the effort of other nations, etc.
